

JACKSONVILLE, ILLINOIS, WEDNESDAY MORNING, NOVEMBER 9, 1904.

THEODORE ROOSEVELT.

## PRESIDENT ROOSEVELT

Receives Good News Surrounded by Family and Intimate Friends.

Washington, Nov. 8.—Surrounded by his devoted family and a company of intimate personal friends, President Roosevelt to night received news of his overwhelming victory. The information of a definite character was received by the president while at dinner. Returns were laid before him then were in the nature of assurances he had carried New York, his home state, by a plurality so large as to be really astounding. Bulletins from newspapers of New York city were received conveying the welcome news. While the president was gratified, it may be said the result was not entirely unexpected, although he himself had not anticipated so tremendous a majority.

These and rapidly succeeding bulletins, each conveying to him more cheering news, were read and discussed by the president with surprising results. Assured, as he said, that the campaign had been conducted on a plane of principle and patriotism as lofty as he himself would have it, and that everything had been done which legitimately could be done to insure the success of the principles promulgated by the Republican party, and by him, he had awaited with perfect confidence the verdict of the people. Soon after dinner a company of intimate friends of President and Mrs. Roosevelt assembled in the parlors of the white house and extended their felicitations and congratulations to both on the result. In addition to a telegram from Judge Parker, the white house telegraphic force was deluged with congratulatory messages for the president from friends in every section of the country. At 10:15 the president left his guests at the white house and went to his private office in the executive building. There he greeted cordially a large number of Washington correspondents who had been awaiting him.

After talking informally with his friends for a time, the president dictated a formal statement expressing his views. "The scene at the moment of making the statement was notable. Tinged in a semi-circle about the big desk in the president's office, the correspondent faced Mr. Roosevelt. Tilted back in an arm chair, he dictated the announcement slowly to Secretary Loch, who sat at the president's left. The president's statement, in which he announced that in no circumstances would he accept another nomination, was as follows:

"I am deeply sensible of the honor done me by the American people in thus expressing their confidence in what I have done and have tried to do. I appreciate to the full the solemn responsibility this confidence imposes on me and I shall do all that in my power lies not to forget it. On the 4th of March next I shall have served three and one-half years and this three and one-half years constitutes my first term. The wise custom which limits the president to two terms regards substance and not form, and under no circumstances will I be a candidate for or accept another nomination."

After receiving the congratulations of the newspaper men the president received a committee representing Republican political organizations of Washington and members of Junior leagues. To them he made a brief speech, expressing his great appreciation of the confidence of the American people.

The president's reply was conveyed in a personal telephone talk with Fairbanks, in which he congratulated the latter. Late to night, when the returns indicated the Republicans had carried the house by an appreciable greater majority than that by which they hold the present house, the president expressed his earnest gratification of the result. After remaining at the executive offices an hour the president returned to the white house, leaving directions that he was not to be disturbed unless something of importance should develop.

## VOTE OF ILLINOIS

Republican Plurality of 230,000—State Ticket Also Overwhelmingly Elected.

Chicago, Nov. 8.—According to returns at midnight, Illinois will give to Roosevelt the largest plurality ever given any presidential candidate. He has, by unofficial returns, carried Chicago by 97,000; and Cook county outside of Chicago will give him 9,000 additional. In previous presidential campaigns the state outside of Cook county has invariably given a larger plurality for Republican candidates than in the county and basing the calculation on this fact, the Republican state central committee claim the possible plurality for Roosevelt will total 214,000, though some of the committee claim 230,000. The greatest plurality ever given in Illinois before was 143,000 for McKinley in 1896.

The Republican state ticket is overwhelmingly elected and both branches of the legislature are overwhelmingly Republican. Republicans by carrying the First, Fifth and Eighth districts, heretofore Democratic, have increased their congressional delegation from seven to twenty.

The Republicans carried all offices in Cook county, with the possible exception of state's attorney, the vote between Trude, Democrat, and Hott, Republican, being very close.

## FROM PARKER

Democratic Candidate Congratulates Roosevelt.

Esopus, N. Y., Nov. 8.—At 8:30 o'clock Judge Parker sent this telegram to the president:

"Rosemont, Esopus, 8:30 p. m.—The President, Washington: The people by their votes have emphatically approved of your administration and I congratulate you. Alton B. Parker."

ROOSEVELT'S REPLY.  
Washington, Nov. 8.—President Roosevelt's reply to Judge Parker's telegram was as follows:  
"Alton B. Parker, Rosemont, N. Y.—I thank you for your congratulations. Theodore Roosevelt."

# REPUBLICAN LANDSLIDE

## A Grand Endorsement For President Roosevelt

Sweeping Victory for the Republican Party—All Doubtful States Roll Up Heavy Pluralities for Roosevelt and Fairbanks --Illinois Remains Loyal by 150,000.

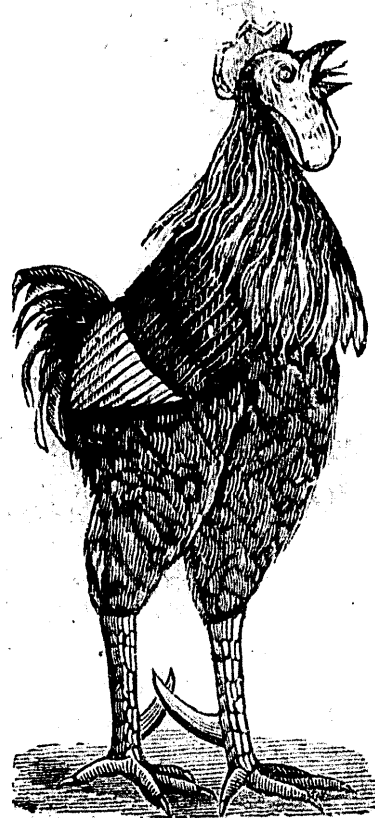

New York, Nov. 9, 2 a. m.—If Maryland has gone Republican, as unofficial returns at this hour indicate, the Republican strength in the electoral college will be the unprecedented one of 325 for Roosevelt to 151 for Parker. Not only is this far in excess of McKinley's vote, 292, in 1900, but Parker's vote is four less than that given Bryan four years ago. It is practically certain the Republican national ticket has carried every state in the union outside of the so-called solid south. It may take the official count to decide Maryland. The Republican majority in the new house of representatives will be not less than fifty.

New York, Nov. 8.—The Republican national ticket has been elected by a vote in the electoral college that will exceed the 292 given McKinley in 1900. The result of to day's balloting was astounding even to the most sanguine Republican managers. Confident as they were of success, they were not prepared for the astonishing figures which followed the closing of the polls, bringing into the Republican column not only all the states they had claimed as safe for their candidates, but with the possible exception of Maryland every state classed as doubtful. Democratic successes are confined to the solid south, in which Kentucky is included, and Parker has not carried a single state which did not give its vote to Bryan four years ago. Unofficial returns indicate he has lost some of those which the Nebraska candidate held for his party.

Official figures from some northwestern states may slightly change the totals, but based on returns available at a late hour, to night the electoral vote stands:

Necessary to elect, 270.

As a dramatic climax to the sensational majorities given him came the president's formal announcement he would not be a candidate for reelection, lending the only exciting aspect to an election night otherwise so one-sided that it was impossible for even the victors to attain that degree of enthusiasm that usually marks the occasion.

## NEW PARTY.

Late in the night came the announcement from Melvin G. Palliser, manager of the campaign for Thomas E. Watson, candidate of the People's party, that as a result of the overwhelming Democratic defeat steps would be taken to form a new party. To this end, according to announcement given out by Watson and Hearst would hold a conference in New York in about a week.

## RESULT KNOWN EARLY.

In no election in recent years has the result been definitely known so soon. Hardly had the sun gone down when results in New York began to appear. By 7 o'clock it was evident the Empire state had given the Republican candidates a majority beyond the predictions of party leaders. So convincing was the story of bulletins that at half past seven August Belmont, at Democratic headquarters, conceded Roosevelt's election by an overwhelming majority and half an hour later Democratic leaders who had managed the campaign freely admitted the Republicans had carried every doubtful state. There was no disposition to hope against hope. As state after state sent in its Republican majority and the wires told the tale of the ballots, bringing even from those commonwealths upon which they had based their figures of Democratic success, reports of unprecedented Republican majorities, they frankly conceded their defeat and offered no explanation. Soon after Belmont's admission Parker acknowledged the situation by telegraphing Roosevelt his congratulations.

PHENOMENAL MAJORITIES.

It was not only a year of phenomenal votes, but phenomenal majorities as well. Beginning with New York, which gives a Republican plurality of approximately 185,000, the tale runs practically throughout the country. Kentucky alone showing Democratic gains. Indiana is credited with at least 80,000 plurality; Iowa, 125,000, and Pennsylvania heads the list as the banner Republican state with a plurality of 325,000.

## OTHER STATES.

Even in the southern states the vote has been light. Georgia's Democratic majority being only between 30,000 and 40,000. Nevada, carried by Bryan four years ago, is Republican and indications are Montana, Idaho, Colorado, also Democratic in 1900, have gone back into the Republican column. Delaware is estimated about 5,000 Republican, Massachusetts about 30,000; Connecticut, in which sanguine Democratic leaders claimed to have had hopes, is about 25,000 for Roosevelt.

While on the national ticket the Democrats have suffered a crushing defeat they have retrieved themselves on some state tickets. They have reversed the national vote by electing governors in Massachusetts, Minnesota, and probably Colorado.

## STATE REPORTS

Result of Voting in Various States in Country.

## NEW YORK.

New York, Nov. 8.—Theodore Roosevelt's plurality in this state is second only to McKinley's 238,000 in 1896. It exceeds McKinley's in 1900 by about 41,000. Late returns show there were cast for him in New York state about 185,000 votes more than for Parker. Not only was his vote heavy in the country districts where Republican strongholds are, but in Greater New York, traditionally Democratic, he ran much closer to Parker than had been expected even by his own campaign managers. It had been estimated he would come down to the Bronx with better than 140,000 plurality, but figures to night showed this forecast would be exceeded by approximately 45,000. In the city Parker's supporters had expressed hopes their candidate would have 140,000 to 160,000 more than Roosevelt, but in this they were disappointed by more than 100,000 votes. So overwhelming was the Republican vote that the result was known positively early in the evening. In Greater New York Parker's plurality was 12,000 to 14,000 larger than Bryan's, but in the state, according to late reports, his total fell 15,000 short of Bryan's.

The small plurality for Parker in New York city caused great astonishment, the lowest preliminary ante-election estimates having figured he would go to the Bronx with 100,000 or more. When reports came in showing he would lead Roosevelt by only 40,000 they were received with amazement. Parker's plurality in the city was 35,000 less than was given Herkie, Democrat, for governor.

In Brooklyn Republican managers thought Parker might lead Roosevelt, but reports from all but thirty-seven districts give Roosevelt 421 plurality. His total vote fell 16,000 short of Bryan's.

## PENNSYLVANIA.

Philadelphia, Nov. 8.—Senator Penrose, Republican state chairman, said to night that his advance from all parts of the state indicated that the majority of 325,000 claimed by the Republicans had not exceeded.

CHARLES S. DENEEN.

### RAILROAD NEWS NOTES

**Old Alton Employee—Numerous Rails Broken by Defective Car**  
—At the Car Shops.

C. P. Bridge, the C. & A. agent at Elkhart, is the oldest agent in length of service, there is on that line. For the past twenty-three years he has been agent at Elkhart and before that he was agent at Joliet for ten years. He began railroading at the age of 20 years and never worked for any other person or company than the Alton. His daughter is the night agent at the same station where her father is. Her husband was also a train dispatcher for the Alton until his death a year ago. Mr. Bridge has two sons, both Alton employees, one being chief clerk in the general freight office at Peoria, and the other is chief clerk for the C. & A. at Alton. The third son is a student at Lincoln, but is an expert operator and railroad man. His only daughter, now night "man" at Elkhart, learned railroading under her father before she was married. All the children are expert operators and bid fair to follow in the footsteps of their father.

A week ago a broken down car on a Santa Fe freight train passing over the Alton tracks between Pequot and Lorenzo, broke numerous rails. The car was dragged five miles before its condition was discovered. It was then set out. Since then the reports of broken rails have been coming in with great frequency, scarcely a day passing but a fresh one was discovered. It developed that a section of a wheel had broken out and with every revolution a rail was struck a severe blow, which eventually, in most cases, resulted in cracking the rail in two. The two companies will divide the loss, this being part of the agreement when the joint track alliance was placed in effect. Section men will go to work this week putting in new steel.

C. & A. conductors on the south end freight trains have been notified to register at Bloomington, Alton, Williamsville, Athol, Springfield, Leffon, Girard, Godfrey and Venice the number of tons in their trains.

There are said to be about twenty leading characters and fifty minor parts in Wang and all these, according to a New York critic, "form profoundly historical as well as picturesquely oriental atmosphere." So that, in the new Wang, besides all that is offered in comic opera in the way of pretty girls, vocal and instrumental music, light comedy, etc., we are promised serious pictures of a country abounding in romance and heroism, and this we must say, will be a most gratifying addition to the usual offerings in ordinary musical organizations.

**BETTER THAN PILLS.**  
The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by all leading druggists.

### CAPTAIN GEORGE H. GAILOR

Relates a Tough Experience

While Engineer on the C. & P Railroad.

Captain Gailor writes that he was in very poor health and so nervous that some days he had to call his fireman to the throttle. He would lie awake at night and look ahead to his next day's work with fear and dread. He had no appetite, his stomach rebelled at what little food he did eat, and he was altogether miserable and discouraged. After trying many medicines without any benefit, Vinol was recommended, and he waits all his friends to know that it has made a new man of him. He says it has restored his health, he

sleeps soundly, and every morning he feels rested, strong and eager for work. He feels convinced that there is no other medicine on earth that is no other medicine in the world that will invigorate and create strength like Vinol.

Our local druggist, Mr. Lee P. Alcott, says that what Vinol did for Mr. Gailor it will do for any man, woman or child in Jacksonville, because Vinol contains in a concentrated form all of the body building, strength creating elements of cod liver oil without oil or grease to upset the stomach and retard its work.

We ask every run down, nervous, debilitated, aged or weak person in Jacksonville and every person suffering with a stubborn cold, hanging on cough, bronchitis, or incipient consumption, to try Vinol on our guarantee. Lee P. Alcott, druggist.

Captain Gailor writes that he was in very poor health and so nervous that some days he had to call his fireman to the throttle. He would lie awake at night and look ahead to his next day's work with fear and dread. He had no appetite, his stomach rebelled at what little food he did eat, and he was altogether miserable and discouraged. After trying many medicines without any benefit, Vinol was recommended, and he waits all his friends to know that it has made a new man of him. He says it has restored his health, he

sleeps soundly, and every morning he feels rested, strong and eager for work. He feels convinced that there is no other medicine on earth that is no other medicine in the world that will invigorate and create strength like Vinol.

Our local druggist, Mr. Lee P. Alcott, says that what Vinol did for Mr. Gailor it will do for any man, woman or child in Jacksonville, because Vinol contains in a concentrated form all of the body building, strength creating elements of cod liver oil without oil or grease to upset the stomach and retard its work.

We ask every run down, nervous, debilitated, aged or weak person in Jacksonville and every person suffering with a stubborn cold, hanging on cough, bronchitis, or incipient consumption, to try Vinol on our guarantee. Lee P. Alcott, druggist.

# OLD MORGAN REPUBLICAN

GREATEST VICTORY IN HIS-  
TORY OF COUNTY

Roosevelt's Majority Over Seven  
Hundred—Indications the En-  
tire County Ticket Elected—  
The Tabulated Returns.

Morgan county solidly in the Re-  
publican column for the ticket of  
1904 is a record that will go down in  
history as a most memorable one. Early  
in the evening the returns in nearly  
every precinct and before midnight it  
was apparent that the party of pro-  
tection and prosperity had made a clean  
sweep.

The result on the head was known  
hours in advance of the rest of the  
ticket, and the large number of  
scratched ballots made the counting  
of the ballots very slow indeed. It  
was after 1 o'clock before many of  
the precincts completed their count  
and in spite of the hard work of the  
judges it is impossible to give com-  
plete returns on all the county can-  
didates.

The chairman of the Republican  
county central committee, Mayor  
John R. Davis, is descending of great  
praise for the splendid generalship  
he displayed in the conduct of the  
campaign and the hearty co-operation  
which his able assistants have con-  
tributed has brought about the grand  
and glorious victory for the Republi-  
can cause.

The result is a signal triumph for  
the various county candidates, who  
have worked in season and out dur-  
ing the progress of the canvass, and  
the effective manner with which they  
have visited the precincts and called  
upon the voters is shown in the final  
triumph.

Indications are that the Republican  
legislative candidates, Messrs. Heintz  
and Fetzer, have carried the district  
by a good majority and that the mi-  
nority member from the Forty-fifth  
district will be Lorton.

C. J. Doyle, candidate for con-  
gress, also has probably carried the  
county by a small majority and in  
the district the Democratic majori-  
ty of 7,000 has been largely reduced.

The tabulation of the returns, while  
not complete, gives the results as far  
as obtainable.

Nortonville—Gave Bryan 181, Mc-  
Kinley 53; Alschuler 180, Yates 55;  
Self 181, Hayden 53; Smith 183,  
Reeve 51; Reynolds 170, Rottger 55;  
Wiswell 181, Hart 53; Cannon 182,  
James 52. Taking the largest majori-  
ty, that for Bryan, this will give 128  
additional votes for the Democratic  
candidates.

Chapin—In 1900 Chapin gave Bryan  
169 and McKinley 148, allowing  
an additional number to Democratic  
majorities of 21 votes.

Jacksonville No. 11—Bryan got 157  
and McKinley 251 in 1900, making an  
addition to the majorities of the Re-  
publican candidates of 94 votes. With  
these figures at hand the most proba-  
ble that can be expected from these  
three districts for Democratic candi-  
dates is 55 votes, and will not  
materially change the result.

It was apparent that the party of pro-  
tection carried the county by  
947 plurality; Denen, 875 plurality;  
Hayden, 587; VanWinkle, 554;  
Spencer, 310; Dudley, 188; Deitrick,  
846; DeLong, 130.

Probably the most peculiar cam-  
paign in the history of the state has  
come to an end and the result is

known. From the beginning there  
seemed to be a degree of apathy un-  
accountable and the leaders of both  
parties were puzzled by it and unable  
to explain the fact. The people seem-  
ed wholly disinclined to have rallies  
and any of the ordinary forms of  
campaign demonstrations, and while  
some speaking was done, the whole  
time from the day of the nominations  
to the election was comparatively  
spiritless in nearly the whole coun-  
try, the possible exceptions being New  
York, Connecticut, New Jersey, Indi-  
ana and West Virginia, which were  
regarded as territory to be won from  
the party which carried it four years  
ago.

In many years not a national  
campaign has been conducted with as  
little money for the reason that por-  
sons of means were unwilling to con-  
tribute when it did not seem at all  
necessary. The fact is, the minds of  
the people were made up about as  
soon as the nominations were made,  
and the result certainly proves the  
assertion. While the leaders of the  
respective parties were at sea regard-  
ing the cause of the remarkable quiet  
they did all in their power to make  
as good a showing as they could for  
their respective candidates in this vi-  
cinity and all were well prepared for  
the day of election. The party work-  
ers were promptly on hand and all  
available vehicles were placed in ser-  
vice, but it is safe to say that they  
never had an easier time at a presi-  
dential election. At several polling  
places carriages waited much of the  
day for something to do and the vot-  
ers seemed to come of their own ac-  
cord, quietly cast their ballots and re-  
tire. There was considerable scratch-  
ing done, as is shown by the result,  
and it took time, but seldom was  
there a jam at any of the polling  
places, as the voters came right along  
from morning till night without a  
crowd at any time. As far as has  
been ascertained all was orderly and  
there have been no reports of dis-  
turbances at any place.

SCOTT COUNTY.

Returns from Scott county indicate  
the Democratic ticket is elected with  
the exception of coroner. Rainey will  
probably run 300 ahead of Doyle, the  
Republican candidate for congress.

SANGAMON COUNTY.

Sangamon county on the face of  
returns received, shows the county to  
be Republican by from 1,000 to 1,500  
majority. It is barely possible that  
Ben Caldwell, Democrat, is defeated  
for congress. Hatch, Republican, is  
elected over. Shutt, Democrat, for

state's attorney by 1,200 majority,  
and the majorities for the Republican  
legislative candidates is over 1,000.

CASS COUNTY.

Returns from Cass county indicate  
that the normal Democratic majority  
of 700 has been reduced to 100, with  
the bare possibility that part of the  
Republican county ticket is elected.

FUNERALS

LANDES.

The funeral of Mrs. Bert Landes  
was held at the residence of her father,  
James Hall, on West Walnut  
street, Tuesday morning at 10 o'clock,  
in the presence of a large gathering  
of sorrowing relatives and friends.  
Rev. T. H. Marsh had charge of the  
impressive services and a choir con-  
sisting of Miss Laura Hayden, Miss  
Bertha Anderson, Rev. T. H. Marsh  
and B. G. Metz, sang appropriate  
hymns. The many beautiful floral of-  
ferings testified to the high esteem in  
which the deceased was held and were  
in charge of Mrs. E. L. Walsh, Misses  
Ethel Hiley, Waimanua and Cas-  
sell.

At the conclusion of the services  
the remains were borne to Jackson-  
ville cemetery and were there tenderly  
laid to rest. The bearers were  
young lady friends of the deceased,  
as follows: Misses Nellie Hopper,  
Cora Bartlett, Bertha Brown, Laura  
Eyles, May Jackson and Lou Landes.

HE COULD HARDLY GET UP.

P. H. Duffy, of Ashley, Ill., writes:  
"This is to certify that I have taken  
two bottles of Foley's Kidney Cure  
and that it has helped me more than  
any other medicine. I tried many  
advised remedies, but none of them  
gave me any relief. My druggist re-  
commended Foley's Kidney Cure and  
it has cured me. Before commencing  
its use I was in such shape that I  
could hardly get up when once down.  
For sale by J. A. Obermeyer, City  
Drug Store."

WHISKY MARKET.

Peoria, Nov. 8.—The whisky market is  
demoralized as a result of war between  
independents and the trust. Despite ac-  
tion of independents yesterday in declar-  
ing \$1.24 as a bed rock basing price for  
finished goods, the trust is offering and  
selling thousands of barrels at \$1.23.

## STATEMENTS

Views of Leaders of Two Lead-  
ing Parties.

VICE CHAIRMAN NEW.

Chicago, Nov. 8.—Vice Chairman New of  
the Republican national committee said  
to night:

"The anticipated landslide has arrived.  
The people of the country have endorsed  
Roosevelt's administration in terms that  
admit of no mistake. He has carried  
every doubtful state by the greatest ma-  
jorities ever given a presidential candi-  
date."

JOHNSON'S ADMISSION.

Cleveland, Nov. 8.—Mayor Johnson,  
Democrat, admits there has been a Re-  
publican landslide in this (Cuyahoga)  
county and that the Republican presiden-  
tial ticket will have a plurality of 10,000 to  
22,000.

CHAIRMAN WEST.

Chicago, Nov. 8.—Roy O. West, chair-  
man of the state Republican committee,  
made the following statement:

"Illinois has given Roosevelt an unpar-  
alleled plurality. Returns indicate he will  
carry the state by 200,000. Denen is  
elected governor by the greatest plurality  
in the history of Illinois. Republicans  
elected nineteen congressmen, a gain of  
two."

FROM FAIRBANKS.

Washington, Nov. 8.—President Roose-  
velt shortly after 9 o'clock to night re-  
ceived the following telegram from Fair-  
banks:

"Indications are you have carried Indi-  
ana by a largely increased plurality.  
Returns are meagre."

SECRETARY DOVER.

Chicago, Nov. 8.—Secretary Dover of the  
national Republican committee says  
Roosevelt will have 317 electoral votes,  
which is more than pre-election estimates.  
He said: "The result of the election in-  
dicates the people are satisfied with the  
record of the Republican party for eight  
years, and in addition to a party endorse-  
ment the victory is a great personal tri-  
umph for Theodore Roosevelt."

INTIMIDATED VOTERS.

Louisville, Nov. 8.—Three members of  
the Louisville police force were arrested  
to day by a United States marshal on  
warrants charging them with conspiracy to  
intimidate negro voters. Charges and  
counter charges were freely made by both  
sides and more arrests are expected.

dent Cleveland voted to day, gave  
Roosevelt a majority of 1901.

## OUR NEIGHBORS

**ARCADIA.**  
Miss Rose Mault, who has been visit-  
ing in Chunderville the past week,  
returned home Friday.

Frank Ogles and Mrs. J. M. Wolfe  
spent several days last week at the  
world's fair.

F. B. Henderson and "Key" at-  
tended the sociable at Thomas Mur-  
phy's, east of Cortland, Thursday eve-  
ning.

Several of our neighbors were very  
much frightened at the appearance  
of what seemed to be two ghosts on  
our streets one night recently, but  
when they had had their fill of fun  
the ghosts made themselves known  
and turned out to be the Misses Kate  
Petelish and Ellen Deatherage.

A large number of young people  
gathered at the home of Miss Mollie  
Sayre Saturday evening to help that  
worthy young lady celebrate her 18th  
birthday. Many beautiful gifts were  
presented her, numerous games were  
played, refreshments were served and  
all spent an enjoyable evening. Mollie,  
we wish you many more happy birth-  
days and assure you that the memory  
of this last one will long stay with us.

Mr. and Mrs. Ed Rexroat and son,  
Eugene, spent Sunday with J. F.  
Neill and family.

A wind storm started near B. F.  
Henderson's in Arcadia recently,  
traveled westward to D. K. McCar-  
ty's, where it secured additional vol-  
ume, then turned and came back to  
Arcadia, striking our professor with  
considerable force. I'll tell you, man,  
you have no business raising bees.  
You have missed your calling. A man  
who can write and eulogize as you do  
should enter the field of journalism  
without delay.

Roland and Blanche Turley, of  
Jacksonville, visited Sunday at B. F.  
Henderson's.

A. J. Wolfe, of Ohio, a brother of  
Dr. J. M. Wolfe, expects to come  
this week and make his friends and  
relatives in this vicinity a visit. Sun-  
day evening he will fill the pulpit at  
the M. P. church and we hope many  
people will turn out to welcome him.

School will close Friday on account  
of the teachers' institute at Jackson-  
ville.

Nathan Neill, wife and son, Claude,  
ate dinner at Ed Young's in Crack-  
er's Bend Sunday.

D. G. Henderson spent Saturday  
night down at the river hunting and  
succeeded in shooting five or six ducks  
while away.

Edward Barr was quite sick and  
Robert Clark had been kicked by a  
cow, and these gentlemen wish me to  
give these as reasons for their non-  
appearance at Miss Sayre's party on  
Saturday night.

If these dusty roads continue, we  
will certainly have to get a water  
works and start a sprinkling wagon;  
else life in Arcadia will soon become  
unbearable. (A friend added the follow-  
ing—Ed.)

In behalf of our friend, the doctor, and  
his noble horse Billy (better known to  
us as Wild Bill) we feel under obligations  
to reply to the item in last week's Journal.  
Had those horse buyers known Bill as  
well as we do, they would have said,  
"He is not dead, but sleeping." Ap-  
parently they had forgotten the adage:  
"A dead horse never jumps." While we  
do not put Bill in the same class with  
Barry's horse, we do believe that we  
have known him to clear an ordinary  
hedge fence with ease, carrying with him  
the entire baggage, with the exception of  
one wheel. Neither do we class him with  
the race horse, yet he has shown ability  
as a sprinter. He has occasion recently to  
make a half mile drive with him, with  
only about three minutes to catch a  
train. The way he did it was by a series  
of short sprints, and he was in the St.  
Louis world's fair. We made our train  
easily, notwithstanding the fact that it  
was fifty minutes late.

**CHAMBERLAIN'S COUGH**  
REMEDY.

No one who is acquainted with its  
good qualities can be surprised at the  
great popularity of Chamber-  
lain's Cough Remedy. It not only  
cures colds and grip effectively and  
permanently, but prevents these dis-  
eases from resulting in pneumonia.  
It is also a certain cure for croup.  
Whooping cough is not dangerous  
when this remedy is given. It con-  
tains no opium or other harmful sub-  
stance and may be given as confidently  
to a baby as to an adult. It is al-  
ways pleasant to take. When all of these  
facts are taken into consideration it is  
not surprising that people in for-  
eign lands, as well as at home, es-  
teem this remedy very highly and  
very few are willing to take any  
other after having once used it. For  
sale by all leading druggists.

**DURBIN.**  
Mrs. H. H. Wolf, Mrs. Henry Rawlings,  
Sylvanus Wolf, and Emma Scott were on  
the sick list during the past few days.  
Otto Spores is recovering.

**LITERBERRY.**  
The meetings have continued at Zion all  
Sunday with William Stoss and family  
near Meredosia.  
Lester Little of Exeter, visited rela-  
tives here Sunday.

Myrtle Berry and Nina Mahoney, of  
Jacksonville, were the guests of Ethelyn  
Corlison, Friday.  
John Franklin moved to Illinois Sat-  
urday.  
E. M. Palmer, of Chapin, spent the  
day with relatives here Sunday.

Best Vortman returned home Tues-  
day after spending a week in St. Louis.  
Little Arthur Bates is on the sick list.  
J. H. D. Vortman shelled corn Monday.  
Miss Clara Vortman and mother of  
Exeter spent Sunday with Robert Kopp  
and family.

A most singular wreck occurred here  
on the morning of Thursday at 1 o'clock  
in the morning. A coal car in the rear  
end of a long train lost about a foot out  
of a wheel, the axle swung around, im-  
paled with the track and like an anchor  
it caught in every the breaking most of  
the short in two for nearly a quarter  
of a mile and splintering the balance in-  
to kindling. The car went probably  
delivered in the Alexander N. E. church  
switch rail, which threw it off, and the  
coal was dumped down the steep bank of  
the creek. The balance of the train was  
summoned. As the long side track

#### JOHNSON.

Jay Jay Johnson, a prominent jeweler of Pittsfield, died suddenly at his home in that city at 12 o'clock Monday night. He had apparently been in his usual good health before retiring, but about midnight his wife was awakened and found him breathing his last.

#### EAGAN.

Andrew Eagan was born in Kilkeenny county, Ireland, Dec. 22, 1842, and died at his home in Chapin at 11:30 p. m., Nov. 7, 1904.

When Mr. Eagan was a child his parents immigrated to the United States, landing at New Orleans. They traveled by river to Jersey county, this state, where they engaged in farming. Upon the death of his parents, which took place soon after they had settled in their new home, deceased was left an orphan and, at the age of 12, was forced to fight the battles of life alone. In 1870 he was married to Miss Mary Vancil, a daughter of Simeon Vancil, then of Sangamon county. To this union were born three children: Mrs. E. F. Antrobus, Mrs. H. O. Smith and Mrs. A. G. Brockhouse, all of whom reside in or near this place.

At the breaking out of the civil war in 1861, Mr. Eagan enlisted under Capt. M. M. Warren in Company C, Eleventh Missouri infantry, and participated in all the engagements of the regiment, some of the principal ones being New Madrid or Island No. 10, siege of Corinth, Vicksburg and the battle of Vicksburg, where he was wounded by a bullet. He also took part in the siege of Vicksburg, where he was again severely wounded. After nearly four years of faithful service he was mustered out at St. Louis Jan. 19, 1866.

His former companion having previously died, on March 7, 1882, he was united in marriage to Miss Eliza

CONGRATULATORY TELEGRAM. The following is the text of a characteristic congratulatory telegram sent President Roosevelt by Gen. D. H. Garrison last night:

From Atlantic shore to Pacific border. Congratulations are now in order; As foes to progress, bent, broken and disarmed. The hearts and souls of the victors expanded. As Republican hosts are folding their tents. Brighter and grander seem coming events.

All nations on earth under warmth of the sun. Know well the importance of the victory won. Scholar and statesman; soldier and leader. Roosevelt: it seems you were born to be leader.

both Owen. One child of this union, Nora Belle, died in infancy, and four, Arthur, Paul and Margaret, yet at home, and Mrs. M. L. Test, of Franklin, together with their mother, Mrs. Eliza Moran and Mrs. Alice Moran, of Carlinville, and a host of friends mourn the loss of a devoted husband, a loving father and a faithful friend and neighbor.

Mr. Eagan was a Republican in politics, yet his many friends, regardless of party, supported him and many times he has served them faithfully as a public official. For several years after the war deceased resided at Virden, Ill., where he was a member of the Baptist church. Upon removing to Chapin in 1884 and finding no church of that faith, he united with the M. P. church of Chapin, and remained a consistent and faithful Christian until death removed him from his labors.

The funeral will take place in the church to day at 1:30, after which the remains will be interred in Jordan cemetery.

### A COLLISION.

### UNIVERSITY EXTENSION

George Eliot Considered by Pro-Troop at High School Auditorium Tuesday Evening.

Prof. J. G. Carter Troop last evening delivered the third of his lectures on the great novelists of the nineteenth century, his theme being George Eliot. The audience was surprisingly large for the evening and showed no falling off from the former attendance.

The speaker sketched rapidly the character and works of George Eliot, whose real name was Mary Ann Evans, which he named the most remarkable moral phenomenon of her age. She was unique in having come from philosophy to fiction. He told of the ease with which her life and ideas were influenced and the great calamities into which this falling brought her. He also told of her ardent studies and her first literary work as sub-editor of the Westminster Review and of her associations in London.

In taking up the novels of George Eliot, Mr. Troop divided her work into two periods. To the first belong Amos Barton and the Scenes of a Clerical Life; Adam Bede, The Mill on the Floss, Silas Marner; and of the second period, Romola, Felix Holt, Middlemarch and Daniel Deronda. He interspersed the lecture with choice bits of recitation from the strongest scenes of the novels, which added greatly to the value of the presentation.

At the conclusion of the lecture the question as to which author should be considered in the next lecture was put to the audience. Robert Louis Stevenson, Victor Hugo and Sir Walter Scott were voted upon, but the result was so close that the matter was left to the committee.

### TAMMANY LEADER

What Charles F. Murphy Has to Say.

New York, Nov. 8.—Charles F. Murphy, Tammany leader, said to night: "Of course, I am very much surprised at the result. I do not attempt to account for it. Whatever may have been the cause it will develop and the party can then deal with it."

"I sincerely regret the defeat of Judge Parker. He was in all respects a worthy candidate. As much can be said for Judge Herlick and his associates on the state ticket. They undoubtedly were the choice of the Democracy and their defeat is to be regretted more for the sake of the country and party than for the candidates individually."

### EARLY REPORTS.

Cincinnati, Nov. 8.—Republican leaders estimate Hamilton county gives Roosevelt a plurality of 35,000.

New York, Nov. 8.—At 7:15 returns from the state and city indicate Roosevelt has carried the state by a plurality larger than McKinley's four years ago, which was 143,000. The surprise of early returns was the heavy Roosevelt vote in Kings county.

Brooklyn, Nov. 8.—One hundred and fifty out of 510 election districts indicate Roosevelt has carried the county. From up state the first bulletins made it appear Roosevelt's plurality above the Bronx would be about 200,000 or 250,000.

New York, Nov. 8.—William Barnum, Jr., chairman of the executive committee of the Republican state committee, shortly after 7 o'clock claimed New York state for Roosevelt and said his plurality may reach 200,000. For Higgins he claimed the state by 50,000.

Chicago, Nov. 8.—The Republican state committee claims Roosevelt carries Cook county, which Chicago is located, by 90,000 and the state by 140,000. The same figures are given for Deane, Republican, for governor. The Democratic state central committee admits that Roosevelt has carried Illinois.

Pittsburg, Nov. 8.—Chairman Ford of the Republican committee claims a Republican majority in Allegheny county of 40,000. The Democratic chairman believes it will not reach 30,000.

Boston, Nov. 8.—Secretary Rush of the Democratic committee claims election of Douglass governor by 20,000, conceding Roosevelt 70,000 plurality.

Detroit, Nov. 8.—Scattering returns from the state at 7:15 indicate Roosevelt's majority is 100,000.

Oyster Bay, Nov. 8.—The fifth district of the town of Oyster Bay, the district in which President Roosevelt lives, gave him a majority of 144 over Parker.

### ARCHBISHOP ELDER'S FUNERAL.

Cincinnati, Nov. 8.—The funeral of Archbishop Elder, held at St. Peter's cathedral to day, was impressive beyond description from the beginning when the long line of archbishops, bishops and priests marching in solemn column from the cathedral residence around the front entrance of the vast auditorium entered chanting the Laudes to the final act when absolution was given to the dead, making this the most impressive funeral of a Catholic clergyman ever held in the United States. High mass of requiem had Archbishop Mueller as celebrant. Archbishop John J. Keane, of Dubuque, Iowa, preached the sermon.

### FIRE LOSSES.

Houston, Tex., Nov. 8.—The Silver Queen hotel in the Sour Lake oil field was destroyed by fire to day. Four people were burned to death and two fatally injured. All the residents of the neighborhood. The hotel was filled with guests.

### STATE REPORT

(Continued from First Page.)

given in South Dakota. The entire state and congressional ticket and nearly every Republican county ticket as well as members of the legislature are elected. The proposition to remove the capital is probably defeated by 15,000 to 20,000.

#### MICHIGAN.

Detroit, Nov. 8.—Roosevelt carried the state by an unprecedented majority, estimated to 100,000 to 150,000. Fred M. Warner and the Republican state ticket are elected; at least eleven or twelve congressmen are Republican and the legislature is overwhelmingly Republican, insuring re-election of Senator Burrows.

#### VERMONT.

White River Junction, Nov. 8.—Roosevelt carried this state by 21,000. Roosevelt ran ahead of McKinley's vote in 1900, while Parker ran behind Bryan's.

#### IOWA.

Des Moines, Nov. 8.—Returns are slow but indications are Roosevelt's plurality will be 125,000 and the entire state ticket will have about the same. Republicans elect ten congressmen with a chance the second district, which is in doubt, will also go Republican. Wade, Dem., however, seems to be holding his own with the vote of 1902, when he carried the district by 1,600.

#### WYOMING.

Cheyenne, Wyo., Nov. 8.—Democratic leaders concede Wyoming to Roosevelt by a large majority.

#### NORTH DAKOTA.

Grand Forks, N. D., Nov. 8.—Roosevelt carried North Dakota by 20,000 to 25,000, an increase of over 50 per cent from the McKinley majority.

#### OHIO.

Columbus, Ohio, Nov. 8.—At midnight Chairman Dick put the Republican plurality largely in excess of 150,000.

#### DELAWARE.

Wilmington, Del., Nov. 8.—At 1 o'clock this morning (Wednesday) returns indicate Roosevelt carried Delaware by about 2,500 majority and Republicans had elected the entire state ticket.

#### COLORADO.

Denver, Nov. 8.—The Post (Republican) in a late extra says Governor Peabody, Rep., is re-elected. The Times estimates Adams, Dem., has a majority for governor of 7,000 to 8,000.

#### UTAH.

Salt Lake City, Nov. 8.—At Democratic headquarters it is conceded Roosevelt carried the state by 8,000.

### NOT DOWNCAST

Parker Did Not Seem Worried Over His Defeat.

Esopus, N. Y., Nov. 8.—Judge Parker conceded the election of President Roosevelt at 8:30 p. m. when he received a bulletin Democratic national headquarters had already admitted every doubtful state had been carried by the Republicans. He appeared to be not at all downcast by the result, although it is known he greatly deplored his overwhelming defeat in his own state. He received the discouraging news in his study, where he sat smoking with two of his neighbors. The bulletin from Democratic headquarters concerning Parker's defeat was given to the Judge by an Associated Press representative. When asked if he had any statement to make he took a telegraph blank and wrote Roosevelt a congratulatory message and said: "I am going to send this telegram to President Roosevelt." The message was dispatched at once.

The demeanor of Judge Parker as he heard the bulletins read was of cheerful resignation. He wore the air of one who could say if he would: "I will die game." And die game he did. He discussed the returns with his friends and compared figures with former years. It might have been some other man's defeat for all the concern he seemed to feel.

In the village of Esopus there was genuine grief manifested by Democrats, who gathered in the two inns and railway station, at the discouraging character of the returns, but indignantly foreseen the result as based on returns from the village, which Judge Parker had failed to carry by fourteen votes. A bonfire prepared for the occasion was not lighted.

### CLEVELAND KEEPS STILL.

Princeton, N. J., Nov. 8.—Former President Cleveland declined to night to comment on the result of the election.
